Lower Op-Cost & Reduced Downtime = Improved Profitability

Our Parts Manager

Our parts manager began working as a heavy-duty mechanic with the Canadian Armed Forces before working in the service department at a Caterpillar dealer. Since then, he has spent decades working with an extensive amount of parts components in the heavy-duty and off-highway industries. Including, Caterpillar, Brandt (Deere), Komatsu, Cummins, Detroit, Bosch, Mercedes, Paccar, Meritor, Allison, Eaton, and all types of engines, hydraulics, and drivetrain products. He and his team have the expertise to quickly look after all your parts needs as they specialize in mining, standard & mini-construction machinery parts.

Buy Quality 4D & 8D batteries at wholesale price.

REMAN

GLOBAL HD MECHANICAL

Global specializes in heavy equipment repair, power-train rebuild / remanufacturing, and the preventative maintenance parts required to reduce your downtime in the field. When you choose Global Wholesale Parts, you're choosing to lower your company's operational costs.

GLOBAL BLAST & PAINT

Global specializes in providing affordable sandblasting and repainting services to its customers. We are regarded as one of the best heavy equipment paint contractors around. Our professionals are skilled and highly trained to provide the safest and most uniform sand-blasting, paint & custom paint in the industry.

GLOBAL HD DETAILING

Global offers full sanitization, complete reconditioning & chrome polishing, or spring cleaning for your heavy-duty equipment & trucks. Whether you need complete reconditioning for resale or a simple sanitization, the Global HD detail shop will have it done quickly and efficiently.

GLOBAL WHOLESALE REMAN'S SHOP RATE - \$155/HOUR

**EXPERT LEVEL KNOWLEDGE & EXPERIENCE WITH HEAVY DUTY PARTS,
COMPONENTS & REBUILDS**

Our Service Manager

Our service manager has over 25 years of technical knowledge and experience in worldwide heavy industry, specialized component rebuilds and repair, hydraulics, and process improvement efficiencies. He is an industry leader in component reman programs, service, and maintenance programs focussing on reduced downtime and a high standard for quality completions. He strives every day to perfect performance metrics, quality control, and the safety of all those around him.
